The report of the auditing committee presented by the chairman of the committee, Mr. Rayner, was one of the principal matters that came up before the Township Committee at their meeting on Monday night. The report will be found in full in another part of this paper. After the reading of the report by the clerk Mr. Bayner offered the following resolution which was adopted unanimously.

Resolved that the sum of three hundred dollars be appropriated to defray the extensive and the present books. The Collector kept no cash book, no dates of payments of monomy received by him appear on the auditing Committee this is all that can be done. The work for which we recommend an expert to be employed will undoubtedly require the expanditure of considerable money and we may ask for another appropriation, but deliars be appropriated to defray the experiment of the employment of an expert accountant for the purpose of examination and verification of the township books, and the opening of a new set of broken. and the opening of a new set of books of sary.
